

Freightliner Cascadia 2018 Semi-Truck Mount (No-Drill)

Item #7160-1124

The 2018 Freightliner Cascadia Semi-Truck mount is designed as a no-drill solution. With limited space in the cab, this provides a solution that will allow for a tablet, different ELD unit or a phone to be mounted close to the dash. The mount is also designed with consideration for a cleaner, more professional install.

Dimensions

Width: 9.75" / 24.8 cm

Height: 7.13" / 18.1 cm

Front bracket stands 1" (2.5 cm) from plate. Rear power adapter stands 1.63" (4.1 cm) off of plate.

Features

- Large plate with multiple VESA 75mm and AMPS hole patterns for multiple options of product placement
- No-drill solution
- Cigarette power adapter (attached to the back side of the mount) to be contained inside the dash
- One 1" AMPS to VESA 75mm adapter plate to allow additional Gamber-Johnson docking station and cradle mounting options
- Several wire routing options to conceal wires for a clean and professional finished install

Warranty

Limited Lifetime Warranty
