

Semi-Truck Pivot Mount, 75mm VESA Hole Pattern w/ Back Plate

Item #7160-1132-01

The Semi-Truck Pivot Arm Mount is designed for most commercial semi-trucks. This mount is built with versatility and durability in mind. It features multiple adjustable points that allow you to place your device at a comfortable viewing angle, and hold a tablet, phone or other device into the desired position.

Weight

2.45 lbs/ 1.11 kg

Dimensions

Width: 2.3 in / 5.7 cm

Height: 4.6 in / 11.6 cm

Length: 8 in / 20.32 cm

Features

- This drilled solution is mounted from the dash and reinforced with a back plate that is secured inside the dash. This helps to disperse the weight of the device being mounted, reducing the risk of damaging the dash.
- Mount designed with the VESA 75mm hole pattern to support your tablet or phone mount
- Designed for mounting in many vehicles

- Ability to adjust and then secure the desired positioning
- Parts assembled using a thread locking glue at the warehouse

Warranty

1 year warranty
