

E100

Getac

Getac E100 Fully Rugged Tablet

- 800 NITs sunlight readable display with touchscreen
- Light weight 3 lbs. design
- MIL-STD 810G and IP65 compliant
- 80GB solid state drive
- Full magnesium alloy case
- Fan-less design
- Industry's-best 5 year bumper-to-bumper warranty

The Getac E100 Fully Rugged Tablet

The E100 is one of the lightest fully rugged tablet PC on the market weighing in at a mere 3 lbs. Despite its trim look and feel, the E100 is every bit as tough as the heavyweights. It meets all MIL-STD 810G and IP65 standards and can be configured for -20°C cold weather operation.

The E100 comes standard with many upgraded features including a large 8.4 inch super-bright 800 NIT sunlight readable display with touchscreen for amazing viewability even in direct sunlight. The E100 also includes Bluetooth, integrated GPS and WLAN. For added connectivity, GPS and 3G Gobi™ 2000 are available.

The Getac E100 Fully Rugged Tablet comes standard with an 80GB solid state drive. The E100 comes with Windows® XP Professional operating system and has both a numeric keypad and programmable quick keys. The Getac E100 is covered by the industry's-best 5 year bumper-to-bumper warranty.

The E100, with its rugged design and powerful software tools, is built to handle the task wherever your job takes you.
